Always Motivating Success

Jesus You Connection by Aidan Leshner

This year we are having a program every Monday in the cafeteria after second bell. Come and enjoy a snack while listening to some music. Once everybody gets settled in, listen to the bible lesson taught by Gary Walker or maybe one of our other leaders. We also play games called "Icebreakers" so that you can have fun as well as learning about Jesus. Hope to see you there this Monday, and remember, Jesus Loves You!

Thurmond by Maddie Legg

Last month, September 23rd, the 8th grade went to Thurmond. We got to play with old instruments, paint with water color, and a whole bunch of other fun things. The rangers showed us around told us about how Thurmond used to be. It was really fun and interesting. If we ever have a chance to go back we should!

Games by James Osborne

Mr. Crouch is bringing Puerto Rican games, One is called crate ball- all you do is run the ball down the court, but when you get the ball you can't move or have it over 3 seconds. The other is Puerto Rican kick ball. Its just like regular kick ball just you have to run completely around the court before the outfield time passes the ball over each of their heads. DON'T UNDER ESTAMATE MR. CROUCH ,HE IS FAST!!!!!!

Spirit Week by Gavin Allport

After signing up for student council in Mrs. Gerwig's room your name was then put into the ballot. Friday in August the ballot was handed out during third period, you were then allowed to choose three people of your choice to be in student council. After the you were told who won student election on the following Monday. I was luckily elected to student council and the meetings consist of what we would like to plan during the school year, (dances, celebrations, etc.) We have just organized Spirit Week. They followed in this order Opposite Day, Elderly Day, Movie Day, Blazer Day, and last but not least Zombie Day. All of these days had its own special surprise and twist. People dressed really crazy, but we had lots of fun.
