Dear Scholarship Applicant:

The Fayette County Association of Retired School Employees has established a scholarship program for graduating high school seniors in Fayette County whose intent is to become a teacher. The \$500 scholarship is awarded one time only. The enclosed application will be used to help our group select the applicant who academically and socially best exemplifies a future teacher. The 300-word essay should reveal your sincere desire to become an educator and will weigh heavily in the selection process.

Please mail the completed application to the address above by the deadline of March 15, 2019. The scholarship committee will review and make their decision soon after this deadline. The recipient will be notified and invited to an association meeting in May. The scholarship will be awarded upon verification of acceptance into the education program at the college of your choice.

Thank you for your interest in our scholarship program and in becoming a future educator.

Sincerely,

Bruce A. Williams, Scholarship Chairperson
