Re: Changes affecting payday

Below is a transcript of a message that will go out via School Messenger to all regular employees of the Fayette County Board of Education. This message is scheduled to be sent on Friday, December 20, 2013 after 5:00pm.

*Good evening. This is Serena Starcher, Associate Superintendent of Fayette County Schools. Again, good evening. This is Serena Starcher, Associate Superintendent of Fayette County Schools.*

*At present, regular employees who hold less than a 261-day contract are paid in arrears. In an effort to pay all employees in a more timely fashion, all employees who hold less than a 261-day contract will receive an additional pay – whether by paycheck or direct deposit - on December 23, 2013.*

*Given that employee pay will be issued in a more timely fashion, it is important to note that 200-day employees who receive their pay over a 10-month period will receive their last paycheck on June 20, 2014 and will miss the pay periods of June 30, July 20, August 5 and August 20 and will receive their first pay for the 2014-2015 school year on September 5, 2014. No employees who receive their pay over 12 months will miss a pay period.*

*For greater detail regarding the change in pay period, employees may visit the finance section of the school district's website.*

Also, attached to this memo is a file that details the new pay dates. This information can be found in the financial information section of the District's website:

Please let me know if you have any further questions.

Thank you.
